**GET THE KIDS ACTIVE! Term 3, 2014**
Do you find it challenging to get the kids away from their computer or TV to play outside?

We all know how important it is for your child’s, growth and development to be physically active each day, but with increasing technology in our lives, this can sometimes be a real challenge! **WE MAY HAVE THE ANSWER FOR YOU!**

G0$Fun is a free healthy lifestyle program for families with children aged 7-13. It is run after school hours by a qualified Dietitian and Exercise Leader. To see if your child qualifies for the Go4Fun program, or for more information, visit the Go4Fun website at [http://go4fun.com.au](http://go4fun.com.au)

Encourage your child to be active, happy and healthy TODAY!
GOT IT! Tip Of The Week

Praise your children for trying and not for being perfect. Try to help your child focus on their effort in giving things a go and not necessarily for the outcome of their efforts.
